

## How to use this key

- Time: 40 minutes (listening about 10 minutes, then the other parts). Pupils need a pencil.
- Listening: read each script **twice**, slowly and clearly, with a short pause between the lines. Do not help pupils with answers.
- Give 1 point for every correct item. Accept correct answers with small spelling slips only if the word is recognisable; do not give the point if the grammar is wrong.
- Writing (6 points): use the rubric below.

| Part                | Points    |

## Marks
