

How to use this key

- Time: 40 minutes (listening about 10 minutes, then the other parts). Students need a pencil.
- Listening: read each script **twice**, slowly and clearly, with a short pause between the lines. Do not help students with answers.
- Give 1 point for every correct item. Accept correct answers with small spelling slips only if the word is recognizable; do not give the point if the grammar is wrong.
- Writing (6 points): use the rubric below.

Part	Points
Part 1 · Listening	10
Part 2 · Vocabulary	8
Part 3 · Grammar	10
Part 4 · Reading	6
